

# Current Mail Service Opportunities

Australia Post is seeking tenders from companies, or persons willing to form companies, to deliver mail and parcels under contract arrangements in the Delivery Areas listed below.

Australia Post has a commitment to providing a consistent and personal service to its customers. Therefore, as far as practicable the successful tenderer should be able to supply the same commitment and dedicated personnel to deliver the articles each day in the delivery area.

Reasonable time will be provided to the successful tenderer to make arrangements to comply with the conditions of the contract, including the procurement of suitable vehicles. Training will initially be provided to the successful tenderer, who is then required to provide training to their own personnel.

All genuine tenders and enquiries are welcome. Australia Post is not obliged to accept the lowest or indeed any tender and reserves the right to accept or reject any or all tenders if it considers that it is in the interests of Australia Post to do so.

**Note:** The hours per week is a guide only. An explanation of how the hours per week for the Service may vary, can be found in the tender forms.
